Star of David Rising

1 Sam 18/1 Pet 3:14-18

Has the Lord made changes in your life that brought you into friendships that were not possible before then (Rom 16:3-8; 1 Sam 18:1)? What were the dynamics of those relationships?

How has the Lord's light in your life ever complicated or broken a relationship in your life (2 Cor 6:14-18)?

Has anyone ever been bothered because you were doing well (Gen 4:3-5; 1 Sam 18:28-29)? Why?

Have you experienced people close to you succeeding in things that you will never do? How have you dealt with that (1 Sam 18:3)? How can you rejoice with them?

Why do you think God made David's ascent to the throne so complicated and dangerous? Find some balance here between James 1:2-4, Eccles 11:1-2, 9-10, and Psalm 20?
