# Ten People you Meet in Heaven

## DAVID

- List some factors about David that make him a very complex person to figure out. Why did God stick with him and not Saul?
- Read 2 Samuel 7:1-13. Why is David's connection to God and the Coming Messiah so strong?
- Read Romans 8:31-39. Why is our connection to the Coming Messiah so strong?
- What role does our sin play in our relationship with Christ? Can there be consequences to forgiven sin? See 2 Samuel 12:13-14.
- Why is King Jesus not ashamed to be called  
    “the one who holds the key of David” (Revelation 3:7),  
    “the Root of David” (Revelation 5:5), and  
    “the Root and Offspring of David” (Revelation 22:16)?
- Read Acts 2:29-35 and Matthew 11:11. How is our privilege in Christ even greater than David's (or John the Baptizer's)? Did that happen because we are special? How much more are we responsible for what we do in this life than the great ones before Christ (Hebrews 10:28-30)? What should we do about that?
