# Ten People You Meet in Heaven

## JESUS

- Why did so many people see the miracles of Jesus and still reject Him (John 11:45-53)? What part of our nature is that (John 6:26)? What part of theology is that (Matthew 22:14)?
- What do miracles mean to those who are seeking the Lord (Matthew 14:32-33)?
- Why has conflict between important things and busyness always been part of human existence (Luke 17:26-29)? What is Jesus calling us to do about it?
- Describe Jesus the human and Jesus the Christ? How is this related to Adam & Eve being the image of God and made of dirt? Why is it important?
- How important is the death and resurrection of Jesus in the Bible story (Acts 2:22-24)? What would we have without it? How would your life be different without it?
- Describe what Jesus has meant to you in your life? Where does He seem to be taking you, before heaven?
